

Precision Medical

PATIENT PORTAL

Check your appointment

Scan the code with your phone's camera.

Point your camera here

No app needed

Scan me!

1

Scan the code

Open your phone's camera and point it at the QR code.

2

Enter your details

Type your case code and date of birth. Your code is in your confirmation message.

3

See your appointment

We'll show you the date, the time and where to go.

Your information is protected. We only show basic appointment details, never medical information.
